

ROOTSTOCK

This series of science book, is crafted as per the latest guidelines provides by the National Council of Educational Research and Training (NCERT) and National Curriculum Framework (NCF) that aimed at learning without burden and sense of student's self-reliance.

"I am not a teacher, but an awakener" said Robert Frost. The given series of books rightly justifies the statement. The mindset behind writing this series is to create interest and curiosity about the subject. Various day to day life skills are illustrated, pictured and presented keeping the requisite of young minds. All these not only provide the appropriate study matter but also create the lovingness and bonding with them.

Each chapter starts with **Learning Objectives** which clearly states the main idea of the topics in the chapter. **Key Words** point out various difficult words to provide attention, **Summary** recaps the chapter in short for quick revision at the end of each chapter. With the various tasks given to test the accuracy of young minds, many related jobs like **Projects**, **Activities**, etc. are provided to make all round knowledge hub for the students.

Introduction at the beginning of each chapter helps the teacher to get an idea of scope of the chapter and **Classroom Discussion** assists them how to encourage students and how to deal with various topics in the class or outside the class.

ABOUT BRIGHT MARKS

Let us introduce our present series, Bright Marks, designed to align seamlessly with the Curricular Goals and Competencies of the latest National Curriculum Framework (NCF) and in full compliance with New National Education Policy (NEP).

OUR AIM

Through the series we aim to enhance joyful learning, promote teamwork and also help the learners think independently. The series is innovatively designed and well graded to help the students adopt the world around them. Different skills like creativity, observation, critical and logical thinking, social and emotional skills, scientific temper, decision-making, digital-age literacy and many more have been covered through the activities and exercises in the books of the series to accomplish our aim.

EXCLUSIVE FEATURES OF BRIGHT MARKS

The concept based age-appropriate Activities and Assessment sections are based on Panchakoshas and Pramanas, aiming for the holistic development of the students. To improve the learning experience, we have seamlessly incorporated 21st century skills and the Sustainable Development Goals (SDGs) in this series.

The contents of all the books in the series have been meticulously crafted to conform to the NCF's Panchpadi, ensuring a comprehensive and cutting-edge learning experience. This learner-centered approach emphasises significantly on cultivating a wide range of Skills, and Nurturing an understanding of fundamental concepts while also stimulating critical thinking and curiosity.
